Name the Owl Contest

Our Faithful owl has been guarding the deck for many years, turning heads with every change of wind. It has been our unofficial mascot, so now let's make it official and give it its rightful name and place in the club!

We need your help to give it the perfect name. The winner of the naming contest will win a free week-end* stay at the lodge and the honor of being our owl's godfather/godmother!

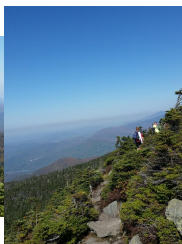

To participate to the contest, log on to our mascot facebook page <https://www.facebook.com/SSC.owl.naming.contest>, like the page and post your suggested name.

* non-bus trip week-end or official week-ends

Past Months in pictures

Camel's hump Hike was so much fun that 2015 hike is already pre-scheduled end of September!

Magnificent Vermont foliage, a crashed airplane and breath taking vistas were on the program!

Many friends joined the usual suspects for a drink at the Bourbon Street Bar & Grill. Everyone had an amazing time and we are all looking forward to the next happy hour!
