### Past Months in pictures

Ski season will arrive soon enough, so it was time to get into shape. Nothing better than a day hike at Harriman Park! 20 of us started from Tuxedo, swam in the lake and enjoyed the beautiful park views and wild life.

Labour day week-end was a blast with our happy bikers discovering the not so flat roads of the Mad River valley!

There was also some biking involved in the city with the SSC team participation to the 25th NYC Century Bike Tour. We crossed the Brooklyn bridge, the RFK bridge, from Central Park to Prospect Park, Long Island City, Brooklyn and Manhattan...we proudly biked our 35

miles!

After all these efforts we deserved a little relaxation! And we did just that with a fantastic day at Spa Castle. We are all refreshed and energized, ready for the ski season!

### Membership Dues - October 15th

As we all have noticed, taxes are up, food prices are up, gas is more expensive and it seems that your money is buying you less and less – with ONE exception! Yes, the Ski Club of NY has kept the membership fees at the same level for a staggering 10 years! However, the club now needs your support since also your club's expenses have been rising constantly and we do not want to run at a deficit again.

The price of food, costs of maintenance and insurance, heating oil and other expenses have been steadily on the increase. Paired with low attendance these past seasons, this combination has taken a toll on our finances and we have posted losses over the past two years. In order to run again in the black and to keep our lodge in tip top shape for your enjoyment, we realized that we need to increase the dues at this time. On the other hand, the prices for a day or a weekend at the lodge stays the same so that there is no increase in your expenses whenever you visit the lodge.

We are looking forward to an amazing ski season, with 5 bus trips up to the lodge, an annual trip in Europe, celebrating with you at the Holiday party and Spring Dance, or simply a drink with friends at our happy hours. Stay tuned for the SSC upcoming events on our website, Facebook and Newsletters.

### Upcoming events

## Vermont

#### **Sat-Sun, September 19-20 - Reunion Weekend:**

Our traditional 'Reunion' week-end will take place on September 19-20. Come and spend a wonderful week-end with old friends and share all your clubs stories. To reserve please contact Hans at [oldtimer2014@swissclub.org](mailto:oldtimer2014@swissclub.org)

**Sat-Sun, September 27-28 - Hiking the Camel's Hump:** We will ascend Camels Hump in the morning. This is the third highest mountain in Vermont and it is not for beginners. About 2 ½ hours each way, mostly going up with no flat parts, later, all going down. However, it has the most fantastic view of Vermont. Sunday we can relax or go swimming or take a shorter hike up the top of Mad River... To Reserve please contact Erich at [Lodgemanager@SwissSkiClub.org](mailto:Lodgemanager@SwissSkiClub.org)

#### **Sat-Mon, October 11-13 - Columbus Day - Fall Work Week-end:**

Let's beautify the lodge for the season! It is a FREE weekend for anybody that shows up but work will be asked of any participant. Reservation required. Contact Erich at [lodgemanager@SwissSkiClub.org](mailto:lodgemanager@SwissSkiClub.org)

#### **Thur-Sun, November 27-30 - Thanksgiving Week-end:**

Come and share the turkey and give thanks in beautiful Vermont with your Swiss Ski Club friends.
