### Past Months in pictures

Skiers on Bus trip 3 enjoyed both Stowe and Sugarbush. Snow was plentiful and house was full.

We had some fresh snow on Bus trip 4 and a lot of fun racing!

Gorgeous weather and tons of snow for Spring skiing on Bus trip 5!

Sevinc organized a beautiful Turkish feast for us and we had an amazing time at Alibaba!

There was so much snow, that it would have been a shame not to enjoy it on the 'One more run' ██████████

end'. Two great ski days at Stowe and Sugarbush.

To plan our skiing trips and have some fun in the city we had a few Happy hours and socials thanks to Noreen.

Where to start...an amazing luxury chalet right of the slopes, a fun crew who did not hesitate one second to dance on the tables with the boots on, so much cheese cooked all possible ways and of course amazing skiing...when can we go back to Alpe d'Huez!
