Past Months in pictures

It was a very busy and festive month! We had our Holiday party at Osteria Cotta. Despite the snow flurries, it was a full house and we all had a lot of fun.

We kept partying because 'tis the season and again full house. The bar was invaded by the SSC crowd, old friends and new.

Amazing snow for Family Holiday week and everyone had a blast, the young and the grown ups!

New Year week was a full house. Snow was still plentiful and the fun went on and on!
