### Past Months in pictures

After some heated discussions, it was time to enjoy some drinks with friends! Party went on late and as always we got royal treatment at O'Cabanon.

Happy Hour was so much fun at Cask Bar and Kitchen. Swiss Ski Club owned the house! Old and new friends mingled in a relax atmosphere. Thank you Noreen for finding yet another fun spot!

Bus trip 2 was a cold one! 40 brave skiers and snowboarders made it to the slopes and enjoyed the long week-end at the lodge. Rainer was there to get the crowd the best dinners and despite the cold everyone had an amazing time!

Family week was a full house, everyone had so much fun that many extended their stay by a few days. Skiing of course and a birthday celebration was on the program!
